## Submit Your InterSystems IRIS Solution to Package Manager @ InterSystems Global Summit 2019!

Hi Developers!

If you happen to visit Global Summit 2019 don't hesitate to stop by Developers Community Booth (table 9 on Tech Exchange, 3rd floor) - we can help to submit your Open Exchange solution to [ZPM Package Manager](#).

One package [Output Capture](#) by [@David Crawford](#) is already packaged and can be installed with the following command:

```
zpm:USER>install output-capture
```

Also, come to chat on your dev experience and collect your GlobalMasters badge from [@Anastasia Dyubaylo](#) ;)
