New Coding Talk: Creating REST API with InterSystems IRIS, ObjectScript and Docker

Hi Developers,

New Coding Talk, recorded by [@Evgeny Shvarov](#), is available on [InterSystems Developers YouTube](#):

[Creating REST API with InterSystems IRIS, ObjectScript and Docker](#)

In this video you will learn how to create REST API with InterSystems IRIS, ObjectScript from scratch using GitHub template, VSCode, and Docker container.

Please check the additional links:

- [GitHub Template](#)
- [ObjectScript Docker Template App on Open Exchange](#)

Feel free to ask your questions in the comments to this post.

Enjoy watching the video!
