New Video: API Management

Hi Community,

The new video from Global Summit 2019 is already on [InterSystems Developers YouTube](#):

[API Management](#)

This video will introduce the concept of API management and outline the InterSystems IRIS features that enable you to manage, monitor, and govern your APIs with full confidence.

Takeaway: InterSystems IRIS includes comprehensive capabilities for API management.

Presenter: [@Iain Bray](#), Senior Sales Engineer, InterSystems

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).

Enjoy watching this video!
