## Advent of Code 2019 has been started! Win and Get a Ticket to InterSystems Global Summit 2020 in Seattle!

Hi Developers,

It's December the 1st! And this means that the [Advent of Code 2019](#) has been started!

And you are very welcome to participate in the ObjectScript contest!

[Here is the leaderboard.](#) There are last year's participants and some people already solved the first task.

Note: You need to sign in to Advent of code (e.g. with GitHub or Google account) to see the leaderboard and participate in the contest.

### Win Conditions:

To win our prize you should be on the top of [ObjectScript Leaderboard](#) and upload all the solutions in a public repository and present the code in InterSystems ObjectScript in UDL form. [The example of the repo.](#)

Note: You need to sign in to Advent of code (e.g. with Github or Google account) to see the leaderboard and participate in the contest.

### Prizes:

1st Place: 10,000 points on [Global Masters](#) and FREE registration & hotel accommodation for the next InterSystems Global Summit 2020 in Seattle!

2nd Place: 5,000 points on Global Masters

3rd Place: 3,000 points on Global Masters

You can join [the ObjectScript private leaderboard](#) with 130669-ab1f69bf code.

Good luck to all of you!
