New Video: InterSystems IRIS Roadmap - Analytics and AI

Hi Community,

The new video from Global Summit 2019 is already on [InterSystems Developers YouTube](#):

[InterSystems IRIS Roadmap: Analytics and AI](#)

This video outlines what's new and what's next for Business Intelligence (BI), Artificial Intelligence (AI), and analytics within InterSystems IRIS. We will present the use cases that we are working to solve, what has been delivered to address those use cases, as well as what we are working on next.

Takeaway: You will gain knowledge of current and future business intelligence and analytics capabilities within InterSystems IRIS.

Presenters:

[@Benjamin De Boe](#), Product Manager, InterSystems

[@Thomas Dyar](#), Product Specialist - Machine Learning, InterSystems

[@Carmen Logue](#), Product Manager - Analytics and AI, InterSystems

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).
