New Video: InterSystems IRIS Containers for Developers

Hi Community,

Please welcome the new Global Summit 2019 video on InterSystems Developers YouTube Channel:

InterSystems IRIS Containers for Developers

This video aims to demystify the process of working with InterSystems IRIS containers in development scenarios. We will walk through setting up Docker, InterSystems IRIS in a container, and connecting Studio, Atelier, and the VS Code plugin. Examples will be on Windows, but are transferable to Mac.

Takeaway: You will learn how easy it is to set up and use InterSystems IRIS for development purposes on a Windows or Mac laptop.
Presenter: @Sean Klingensmith, Software Developer, InterSystems
