How to Setup a Company on Open Exchange

Hi Developers!

Many of you work in the companies which produce tools, solutions, frameworks on InterSystems Data Platforms.

You can list your [Company on Open Exchange](#) to have an option to publish tools, solutions, and frameworks on behalf of your Company:

NEWS COMPANIES ABOUT CONTACT US PROFILE LOGOUT GO TO

12 Companies

Sorted by: Date ▾

bewidata
Unternehmensberatung und EDV-Service GmbH
- Central payment - MÖBELPILOT, ERP

BridgeWorks, LLC.
Software development company focusing on reporting and data

InterSystems Corporation
InterSystems Corporation is a Software Development company

YANBOR LLC
YANBOR LLC is a small software development company, developing

myCTS GmbH
myCTS is one of InterSystems most renowned technology partners in

Kanosoftware
Kanosoftware brings simplicity and innovation to Master Data

Vicert
We Build Digital Health Solutions. We deliver a quantum leap in time to

Lite Solutions
We build products and offer customized services, listening and

This article describes how to do that.

First of all, you need to sign in to [Open Exchange](#).

Once you signed in you can open the Profile -> Company menu and see the large Add Company button:

My company

Click on this menu
to work with you Company

My Apps
My Profile
Company

Here in InterSystems Open Exchange, we suppose that one person has the one company he wants to be listed on Open Exchange. [Let us know](#) if this is the opposite.

Feel in all the mandatory fields in the editor and save it:

New company

Company name *

Corporate of Good

Company email *

ceo@goodcorporation.com

Description *

We are producing goods and the good for good people.

Company site *

goodcorporation.com

Company phone

Save

Cancel

Once you save it you can add the company logo with Upload image menu:

You can edit your company

Corporate of Good Draft

GOOD

We are producing goods and the good for good people.

Site: <http://goodcorporation.com>
Email: ceo@goodcorporation.com

Settings ^

- Send For Approval
- Edit
- Upload image
- Delete

Use this menu to change company's logo

This is how people will see your company's profile on Open Exchange. If you are satisfied with it send it for Approval for publishing:

You can edit your company

Corporate of Good Draft

GOOD

We are producing goods and the good for good people.

Site: <http://goodcorporation.com>
Email: ceo@goodcorporation.com

Settings ^

- Send For Approval
- Edit
- Upload image
- Delete

Use this menu to send for Approval on publishing the company

Once the request is approved you'll see you company listed on the [Companies section](#) of the site and developers will be able to "Follow" the company for the releases on Open Exchange and you'll be able to submit applications on behalf of the company.

To do that use the checkbox Publish the application on behalf "Company name":

Application Editor

Github URL	Application name *
<input type="text" value="https://github.com/evshvarov/objectscript-super-math"/>	<input type="text" value="Very Good Application"/>
Download URL *	License URL *
<input type="text" value="https://github.com/evshvarov/objectscript-super-math"/>	<input type="text" value="https://github.com/evshvarov/objectscript-super-math/blob/master/LICENSE"/>
Category *	InterSystems Technology *
<input type="text" value="Technology Example"/>	<input type="text" value="InterSystems IRIS"/>
Industries	<input checked="" type="checkbox"/> Submit the app on behalf of Corporate-of-Good <input type="checkbox"/> Publish in Package Manager

Checkbox to use to publish on Behalf of the Company

Once the application is approved it will be listed in the [Applications gallery](#) and also on the companies page:

[NEWS](#) [COMPANIES](#) [ABOUT](#) [CONTACT US](#) [CREATE AN ACCOUNT](#) [LOGIN](#) [GO TO](#)
