Machine Learning 201: Deep Learning

Hi Developers,

Please welcome a new video on [InterSystems Developers YouTube Channel](#):

[Machine Learning 201: Deep Learning](#)

Firstly, check the basic introduction to machine learning presentation that provides an overview of the basic ML algorithms:

[Machine Learning 101: How does it actually work?](#)

In the second part, we're going to go into the neural network, basically, that's the main theme of this session.

[Machine Learning 201: The Mighty Neural Network](#)

Presenters:

[@Don Woodlock](#), Vice President, HealthShare Platforms

Aliaa Atwi, Software Developer, HealthShare Platforms

And...

Don't forget to subscribe to our [InterSystems Developers YouTube Channel](#).

Enjoy and stay tuned!
