## HealthShare Unified Care Record Technical Specialist JTA Survey

Dear Developer Community,

Would you like to earn a free certification exam voucher?

The Certification Team of InterSystems Learning Services has designed exam objectives and now needs input from our implementation community for the following proposed certification exam:

HealthShare Unified Care Record Technical Specialist

If you have completed at least one UCR/Information exchange (version 15.x or higher) implementation, assisting or supporting in a technical role, ObjectScript proficiency, and Health Connect interfacing experience, you can help us by filling out our Job Task Analysis survey.

What is it? We will present you with a list of job tasks, and you will rate them on importance and other factors.

How much effort is involved? It takes about 15-20 minutes to fill out the survey. You can be anonymous, or you can identify yourself and ask us to get back to you.

What are the terms of the voucher? The voucher waives the \$150 exam fee for any one exam attempt scheduled within one year from voucher issue.

Please note: this offer is valid for JTA Surveys completed by Tuesday, February 18th.

Please indicate your interest to take the HealthShare Unified Care Record Technical Specialist JTA Survey by writing to [certification@intersystems.com](mailto:certification@intersystems.com) and we will send you the survey link.
