New Video: InterSystems IRIS Kubernetes Operator

Hi Developers,

The new video from Global summit 2019 is already on [InterSystems Developers YouTube](#):

[InterSystems IRIS Kubernetes Operator](#)

This video introduces the InterSystems IRIS Kubernetes operator, which enables InterSystems IRIS containers to function as "first-class citizens" of the Kubernetes ecosystem. We recommend that you be familiar with basic Kubernetes concepts: [Introduction to Kubernetes Video](#)

Takeaway: You will understand and appreciate the value proposition of the InterSystems IRIS Kubernetes operator.

Presenters:

[@Luca Ravazzolo](#), Product Manager, InterSystems

[@Steve Lubars](#), InterSystems Software Developer

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).

Check out the [Cloud Deployment Resource Guide](#).

Enjoy watching this video!
