New Coding Talk: How to Create and Submit an Application for InterSystems IRIS Online Programming Contest 2020

Hey Developers,

New "Coding Talk" video was specially recorded by [@Evgeny Shvarov](#) for the [IRIS Programming Contest](#):

[How to Create and Submit an Application for InterSystems IRIS Online Programming Contest 2020](#)

In this video, you will know how to create your InterSystems IRIS ObjectScript application which runs with Docker. You will see how to submit it to Open Exchange and then how to participate with the application in [InterSystems IRIS Online Programming Contest](#).

Check out the related [InterSystems ObjectScript GitHub template project](#).

Enjoy watching the video!

Join the [Online Programming Contest](#), show your best ObjectScript skills on InterSystems IRIS and earn some \$ and glory!

Stay tuned for updates in [this post](#).
