New Video: InterSystems IRIS and Node.js Overview

Hi Community!

Enjoy watching the new video on [InterSystems Developers YouTube](#):

[InterSystems IRIS and Node.js Overview](#)

InterSystems IRIS™ supports a native API for Node.js that provides direct access to InterSystems IRIS data structures from your Node.js application.

[Visit the Node.js QuickStart on the InterSystems learning site for more.](#)

Stay tuned with InterSystems Developers!
