New Coding Talk: Declarative ObjectScript Promo

Hey Developers,

New "Coding Talk" video was specially recorded by [@Maks Atygaev](#) for the [IRIS Programming Contest](#):

[Declarative ObjectScript Promo](#)

Work with collections like a boss! Use the [Declarative ObjectScript](#) project!

[Declarative ObjectScript](#) - a proof-of-concept to show how to use declarative programming on ObjectScript. The idea of the project is the support of a laconic syntax for cycles and collections.

Enjoy watching this promo video!

For any questions, please write to [@Maks Atygaev](#) at atygaev.mi@gmail.com or in the Direct Messages on DC.

Don't forget to vote for this project in the [IRIS Programming Contest](#)!
