New Podcast: InterSystems Certification

In Episode 6 of [Data Points](#), certification manager Jamie Kantor joins the podcast to tell us all about the InterSystems Certification program, what exams are currently being offered (and what ones are in development), and why it matters for developers and enterprises. Check it out!

For more information and to subscribe on your favorite podcast app, head over to <https://datapoints.intersystems.com>. There, you can also find links to the previous episodes. Make sure to rate the podcast if you're using Apple Podcasts, as well!
