New Video: Understanding System Performance Metrics

Hi Community,

The new video from Global Summit 2019 is already on [InterSystems Developers YouTube](#):

[Understanding System Performance Metrics](#)

In this video, we will explain what systems performance metrics can tell you about your system and application. We will cover how to collect metrics, which metrics are typically important, and when you need to take action.

Takeaway: You will learn how to use system performance metrics to fix problems and plan for the future.

Presenter: [@ Murray Oldfield](#), Technology Architect, InterSystems

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).
