## New Podcast: Introducing InterSystems Reports

In Episode 7 of [Data Points](#), product manager [@Carmen Logue](#) joined the pod to tell us all about InterSystems Reports — the new reporting feature of InterSystems IRIS! Take a listen to hear about its capabilities, use cases, and how it fits into the existing set of analytics technologies.

For more information and to subscribe on your favorite podcast app, head over to <https://datapoints.intersystems.com>. There, you can also find links to the previous episodes. Make sure to rate the podcast if you're using Apple Podcasts, as well!
