## New Video: Managing the Transition from On-Premises to Cloud-Based SaaS

Hi Community!

The new video from Global Summit 2019 is already on [InterSystems Developers YouTube](#):

[Managing the Transition from On-Premises to Cloud-Based SaaS](#)

Hear from an InterSystems customer that has successfully transitioned their on-premises applications to Software as a Service, leveraging DevOps, CI/CD, and the cloud. This video will examine the business benefits, the organizational and culture changes, and the technical challenges involved.

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).

Stay tuned!
