1st Anniversary of InterSystems Spanish Developer Community!

Hi Developers,

I'm pleased to announce that in May [InterSystems Spanish Developer Community](#) celebrates its 1st Anniversary!

Our Spanish Community is growing: 300+ articles have been published this year and about 900 web users visit the site every month!

InterSystems Spanish Developer Community

Together we did a lot this year, and a lot more is planned for the next years! Thank you for using it, thanks for making it useful, thanks for your knowledge, experience, and your passion!

And let us warmly welcome our Spanish colleagues who make the Spanish site better every day. Many thanks to [@David Reche](#), [@Esther Sanchez](#), [@Kurro Lopez](#) and [@Nancy Martínez](#)!

Happy Birthday, Spanish Developer Community!

Want something in Spanish? Don't miss these posts:
