# Congrats to the winners of the InterSystems Native API Programming Contest!

Hi Developers!

The InterSystems IRIS Native API Contest is over. Thank you all for participating in our IRIS Competition!

As a result – 8 great apps! And now it's time to announce the winners!

A storm of applause goes to these developers and their applications:

Experts Nomination  - winners were determined by a specially selected jury:

1st place and $2,000 go to the iris-python-suite project by @ Renato Banzai

2nd place and $1,000 go to the WebSocket Client JS with IRIS Native API as Docker Micro Server project by @ Robert Cemper

3rd place and $500 go to the ObjectScript Kernel project by @ Nikita Mullin

Community Nomination - an application that received the most votes in total:

1st place and $1,000 go to the WebSocket Client JS with IRIS Native API as Docker Micro Server project by @ Robert Cemper

2nd place and $500 go to the iris-python-suite project by @ Renato Banzai

Congratulations to all the participants!

Thank you for your attention to the contest and the efforts you pay in this exciting coding competition!

And what's next?

A whole series of programming contests awaits InterSystems Developers! Join the next IRIS Contest already in this month!

More details in this post.
