## New Video: Reintroducing the Operational Data Store

Hi Community,

The new video from Global Summit 2019 is available on [InterSystems Developers YouTube](#):

? [Reintroducing the Operational Data Store](#)

The Operational Data Store (ODS) is a key feature of our healthcare products that can support your work with FHIR. This video provides an overview of the ODS and highlights its benefits.

**Takeaway:** You will gain a greater appreciation of how the ODS helps their work with FHIR.

**Presenter:** [@Matt Spielman](#), Manager, Product Management, InterSystems

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).

Enjoy watching this video! ??
