## New Video: Reducing Readmissions with Machine Learning

Hi Community!

Welcome the new video from Global Summit 2019 on [InterSystems Developers YouTube](#):

[Reducing Readmissions with Machine Learning](#)

In this video, we will demonstrate using InterSystems IRIS for Health for notification and analytics to identify patients at high risk for readmission.

Takeaway: InterSystems IRIS for Health can be used to build predictive models that improve healthcare.

Presenters:

[@Qi Li](#), InterSystems Physician Executive

[@Amir Samary](#), InterSystems Manager, Solution Architecture

Additional materials to this video you can find in this [InterSystems Online Learning Course](#).

Stay tuned!
