New Videos: Searching for FHIR Resources in IRIS for Health and HealthShare

Hey Developers,

Check out the latest video on searching for FHIR resources:

[Searching for FHIR Resources in IRIS for Health](#)

This video covers the most common types of queries used to search for FHIR resources in InterSystems IRIS for Health™, and shows how and when to use each type of query in your application.

[Searching for FHIR Resources in HealthShare Unified Care Record](#)

InterSystems HealthShare® Unified Care Record supports many techniques used in searching for FHIR® resources. This video covers the most common types of queries and shows how and when to use each type of query in your application.

Also, please check the [dedicated FHIR playlist](#) on [InterSystems Developers YouTube](#).

Enjoy watching these videos!
