Webcast in Portuguese - Digital Government: Architectures and Solutions

Hi Community!

We are pleased to invite you to the upcoming webcast in Portuguese on August 20 at 11:00 BRT:

Digital Government: Architectures and Solutions

On this webcast, InterSystems Solutions Consultant @ Yuri Marx will help us understand how the 3 powers at federal, state and municipal levels are seeking the digitalization of public services.

Note: The language of the webcast is Portuguese.

So!

We are waiting for you - please join!
