## Winners of the InterSystems IRIS for Health FHIR Contest!

Hi Developers!

The [InterSystems IRIS for Health FHIR Contest](#) is over. Thank you all for participating in our [FHIR Competition](#)!

And now it's time to announce the winners!

A storm of applause goes to these developers and their applications:

Experts Nomination - winners were determined by a specially selected jury:

1st place and \$1,500 go to the [iris-fhir-portal](#) project by [@Henrique Dias](#)

1st place and \$1,500 go to the [iris4health-fhir-analytics](#) project by [@José Pereira](#)

3rd place and \$500 go to the [fhir-chatbot](#) project by [@Renato Banzai](#)

Community Nomination - an application that received the most votes in total:

1st place and \$1,000 go to the [iris-fhir-portal](#) project by [@Henrique Dias](#)

2nd place and \$500 go to the [iris4health-fhir-analytics](#) project by [@José Pereira](#)

Congratulations to all the participants!

Thank you for your attention to the contest and the efforts you pay in this exciting coding competition!

And what's next?

A whole series of programming contests awaits InterSystems Developers!

We will announce the next competition very soon – stay tuned!
