Winners of the InterSystems IRIS for Health FHIR Contest!

Hi Developers!

The InterSystems IRIS for Health FHIR Contest is over. Thank you all for participating in our FHIR Competition!

And now it's time to announce the winners!

A storm of applause goes to these developers and their applications:

Experts Nomination - winners were determined by a specially selected jury:

1st place and $1,500 go to the iris-fhir-portal project by @ Henrique Dias Dias

1st place and $1,500 go to the iris4health-fhir-analytics project by @ José Pereira

3rd place and $500 go to the fhir-chatbot project by @ Renato Banzai

Community Nomination - an application that received the most votes in total:

1st place and $1,000 go to the iris-fhir-portal project by @ Henrique Dias Dias

2nd place and $500 go to the iris4health-fhir-analytics project by @ José Pereira

Congratulations to all the participants!

Thank you for your attention to the contest and the efforts you pay in this exciting coding competition!

And what's next?

A whole series of programming contests awaits InterSystems Developers!

We will announce the next competition very soon – stay tuned!
