## Share your thoughts on configuring and managing InterSystems products!

Hello Developer Community!

We are looking to better understand how our users configure and manage our products. If you have a few minutes, please fill out this quick survey <https://www.surveymonkey.com/r/N2JX3TQ>

If you're willing to participate in an in-depth interview about your experiences, you might be eligible for a \$100 gift card! Indicate in the survey that you'd like to talk to us and we will be in touch the second week in September!

Feedback from real users like you is invaluable to us and helps us create better product.

Thank you so much! If you have any questions, please contact me at [Ksenia.samokhvalova@intersystems.com](mailto:Ksenia.samokhvalova@intersystems.com)

I look forward to hearing from you!

Ksenia
