InterSystems Open Exchange Overview Webinar

Hi Community!

We're pleased to invite all the developers to the upcoming [InterSystems Open Exchange Overview webinar](#) on September 18 at 11:00 AM EDT.

In this webinar you will learn about [InterSystems Open Exchange](#) – a gallery of solutions, tools and templates made with InterSystems IRIS, IRIS for Health and other InterSystems data platforms.

What awaits you? In the webinar you'll know:

- What is Open Exchange and how to use it in your favour
- Where to find InterSystems solutions
- How to promote your own solution made with InterSystems IRIS
- How to publish, install and deploy solutions from Open Exchange
- How to build your company's profile on Open Exchange

Join us in the webinar of September with a presenter [@Evgeny Shvarov](#), Developer Ecosystem manager of InterSystems.
