Write a review on Capterra and get $20 + $25 Gift Cards!

Hi Developers,
We invite you to write a review on the InterSystems IRIS on Capterra. The first 100 reviewers will get a $20 USD gift card from Capterra and $25 VISA card from InterSystems for the published review!

See the rules below.

To get $25 VISA card from InterSystems follow these steps:

#1: Follow this unique link and submit a review for IRIS.

#2: Make a screenshot of the title and text of your review.

#3: Upload a screenshot in this challenge on Global Masters. After your review is published you will get the $25 VISA Cards.

Please note:

- *The survey must be completed by December 3, 2020.*
- *Capterra must approve the survey to qualify for the gift card. Capterra will not approve reviews from resellers, systems integrators, or MSP/ISV's of InterSystems.*
- *Capterra does not approve the reviews that have been previously published online.*
- *You can check the status of your review and gift card in your Capterra reviewer profile at any time.*

Done? Awesome! Your cards are on the way! 👍
