Thought Leaders from Financial Services to Speak at Virtual Summit

Hi Community:

Those of you in financial services, take note. Three IT thought leaders from your industry will be panelists discussing "Financial Services: Adaptability in Times of Uncertainty," on Wednesday, October 21, as part of our Virtual Summit 2020 user conference. Broadridge Wealth Architect Jittu Lulla, Credit Suisse Managing Director Marinela Tudoran, and BBTS CIO Alexandre Conceição will discuss the effects of the COVID-19 pandemic, initiatives such as open banking, and ways to prepare your enterprise for the inevitable disruptions in the future. Don't wait. [Register for Virtual Summit 2020.](#)

The banner is divided into several sections. The top left section is white with black and blue text: "INTERSYSTEMS VIRTUAL SUMMIT KEYNOTE 2020" and "#VSummit20". The top right section is teal with white text: "Financial Services: Adaptability in Times of Uncertainty" and "Wednesday, October 21". The bottom left section features three headshots of speakers: Jittu Lulla (Wealth Architect, Broadridge), Marinela Tudoran (Managing Director, Credit Suisse), and Alexandre Conceição (CIO, Banco do Brasil Tecnologia & Serviços). The bottom right section is dark blue with the InterSystems logo and the tagline "Creative data technology".
