Promo video + Screencast for No Project Mess By IRIS

Hey Developers,

Don't miss the new exciting promo video from our Brazilian developers on [InterSystems Developers YouTube](#):

[No Project Mess By IRIS](#) – give it a try!

No Project Mess is a simple app to help developers and small business companies deal with "Real World" problems in projects and tasks management. Offering different views to task management, like a spreadsheet, kanban, scheduler, or even Gantt.

Big applause for such creative guys:
