InterSystems Interoperability Contest

Hey Developers!

We're pleased to announce the next competition of creating open-source solutions using InterSystems IRIS or IRIS for Health! Please join:

[InterSystems Interoperability Contest](#)

Duration: November 2-22, 2020

Prizes

1. Experts Nomination - winners will be determined by a specially selected jury:

1st place - \$2,000

2nd place - \$1,000

3rd place - \$500

2. Community Nomination - an application that will receive the most votes in total:

1st place - \$1,000

2nd place - \$500

3rd place - \$250

If several participants score the same amount of votes they all are considered as winners and the money prize is shared among the winners.

[Who can participate?](#)

Any Developer Community member, except for InterSystems employees. [Create an account!](#)

Contest Period

November 2-15: Two weeks to upload your applications to [Open Exchange](#) (also during this period, you can edit your projects).

November 16-22: One week to vote.

November 23: Winners announcement.

The topic

Interoperability solutions for InterSystems IRIS and IRIS for Health

Develop an interoperability solution or a solution that helps to develop or/and maintain Interoperability solutions using InterSystems IRIS or InterSystems IRIS for Health.

The application should work either on [IRIS Community Edition](#) or [IRIS for Health Community Edition](#) or [IRIS Advanced Analytics Community Edition](#).

The application should be Open Source and published on GitHub.

If you introduce special technology implementations in your application, you will get some technology bonuses. Stay tuned for bonuses description.
