Virtual Summit 2020: Best Applications of InterSystems Programming Contest Series

Hey Community,

We're pleased to invite you all to the [Virtual Summit 2020](#) session dedicated to InterSystems online programming contests, best winning projects, and their developers! Please join:

"Best applications of InterSystems programming contest series: Best IntegratedML, FHIR, REST API, Native API, ObjectScript solutions" session

Please check the details below.

We will talk about the series of online contests for InterSystems developers. This session will focus on the contest winners and the top applications. Our developers will share their experience of participating in the exiting InterSystems coding marathon and will show demos of their winning projects.

Speakers:

- [@Anastasia Dyubaylo](#), Community Manager, InterSystems
- [@Henrique Dias](#), System Management Specialist / Database Administrator, Sao Paulo Federal Court
- [@José Pereira](#), Business Intelligence Developer, Shift Consultoria e Sistemas Ltda
- [@Henry Pereira](#), System Analyst, BPlus Tecnologia
- [@Dmitry Maslennikov](#), Co-founder, CTO and Developer Advocate, CaretDev Corp
- [@Renato Banzai](#), Machine Learning Engineer Coordinator, Itaú Unibanco
