Ask InterSystems Product Managers on Live Q&A Session at #VSummit20

Hey Developers,

We remind you about a great opportunity to make a live conversation with InterSystems Product Managers Team on Live Q&A Sessions at [Virtual Summit 2020!](#)

TODAY at 12:40 PM EDT at <https://intersystems.6connex.com/event/virtual-summit/en-us/contents/434...>

And now we've added more options to make it even easier for you to ask questions upfront:

Submit your questions in the comments to this post

Submit your question to our Discord Channel: discord.gg/WqVjtD

Submit your questions to VS2020questions@InterSystems.com

Send your question personally to [@Anastasia Dyubaylo](#) or [@Evgeny Shvarov](#) in Direct Messages on the community

Submit your question to Q&A Chat [on the conference platform](#) during the session

Note: We will pass all your questions to the PM team, and you'll receive answers during the Live Q&A Sessions.

**Ask Your Questions
to InterSystems Product Managers Team
only at Virtual Summit 2020!**

And let me introduce the whole InterSystems Product Managers Team:
