It's Voting Time for the InterSystems Interoperability Contest!

Hey Developers,

This week is a voting week for the InterSystems Interoperability Contest! So, it's time to give your vote to the best solutions built with InterSystems IRIS.

You decide: VOTING IS HERE.

How to vote? This is easy: you will have one vote, and your vote goes either in Experts Nomination or in Community Nomination.

Experts Nomination

If you are InterSystems Product Manager, or DC moderator, or Global Master from Specialist level and above cast your vote in the Expert nomination.

Community Nomination

If you ever contributed to DC (posts or replies) and this was not considered as spam you are able to vote for the applications in the Community nomination.

Vote

Voting takes place on the Open Exchange Contest Page and you need to sign in to Open Exchange – you can do it with your DC account credentials.

If you changed your mind, cancel the choice and give your vote to another application – you have 7 days to choose!

Contest participants are allowed to fix the bugs and make improvements to their applications during the voting week, so don't miss and subscribe to application releases!

Also, please check out the Judgment and Voting Rules for the Contest here.
