Global Masters: Get Points for Contribution to Any Language Version of the Developer Community

Hi Developers!

Our Developer Community is growing - so great that it's now available in English, Spanish, Portuguese, Japanese and Chinese languages. And it's important to announce that no matter on which DC language version you publish posts and comments - they all are counted on Global Masters Advocate Hub!

Let's see the number of points you get on Global Masters for your contribution:

Points for contribution to Developer Community		
Write a post on Developer Community (EN)	100	
Write a post on Developer Community (ES / PT / JP / CN / FR)	200	
Publish comment on Developer Community (EN)	30	
Publish comment on Developer Community (ES / PT / JP / CN / FR)	60	
Your 1st answer marked as accepted / each next accepted answer	1 000 / 150	
Translate a post to ES / PT / JP / CHN / CN	50	

Also! A great complete table on how to earn points on Global Masters [is here](#).

Thank you all for your participation in our Community and for your awesome contribution!

Feel free to ask your questions in the comments to this post.
