

Job

[Mike Yackanich](#) · Nov 18, 2020

We are looking for an Interoperability Specialist to join our team at the eHealth Exchange!

We're looking to grow our team by adding an experienced healthcare interoperability resource to focus on Participant onboarding and troubleshooting, and testing and evaluation of in-house and third-party software solutions to ensure compliance with organizational standards and requirements.

Details of position are available on our [Careers](#) page.
