Advent of Code 2020 with InterSystems! Join to win prizes!

Hey Developers,

Are you ready to participate in the annual December competition?

Join the [Advent of Code 2020](#) with InterSystems and participate in our ObjectScript contest to win some \$\$\$ prizes!

[Our Leaderboard](#)

Here you can find our last year's participants.

Join the ObjectScript private leaderboard with 130669-ab1f69bf code.

Note: You need to sign in to Advent of code (e.g. with GitHub / Google / Twitter / Reddit account) to see the leaderboard and participate in the contest.

Prizes:

1st place - \$3,000

2nd place - \$2,000

3rd place - \$1,000

All winners will also get a special high-level Global Master badge.

Note: InterSystems employees are not eligible for money prizes.

Win Conditions:

To win our prize you should be on the top of the [ObjectScript Leaderboard](#) and upload all the solutions in a public repository on GitHub and present the code in InterSystems ObjectScript in UDL form as presented in the template below.

[The Advent of Code 2020 contest ObjectScript template](#)

So!

The first puzzles will unlock on December 1st at midnight EST (UTC-5).

See you then and good luck to all of you!
