Webinar in Spanish: Improving Kubernetes Performance

Hi Community!

We are pleased to invite you to the upcoming webinar in Spanish: "[Improving Kubernetes performance](#)", on December 9, at 4:00 PM (CET).

InterSystems
Developer Community

Webinar Gratuito
Sacando el máximo rendimiento a Kubernetes

Con Eduardo Anglada
Sales Engineer, InterSystems

MIÉRCOLES 9 DE DICIEMBRE
16H ESPAÑA - 10H CHILE - 9H MEXICO DF / BOGOTÁ

During the webinar, we will explore the key features of Kubernetes and how to instance InterSystems IRIS Data Platform in High Disponibility. To do it, we will use different Google Cloud data centers.

It is not necessary to have previous knowledge of Kubernetes orchestration. You will learn how to provision and update containers and how to make your application scale with fault tolerance.

Speaker: [@Eduardo Anglada](#), Sales Engineer, InterSystems Iberia

Date & Time: December 9, 4:00 PM (CET)

Note: The language of the webinar is Spanish.

We are waiting for you at our webinar!
