## Polyana App 2020: In-person & Online Hackathon in Russia

Create an innovative service for Krasnaya Polyana IT cluster participants and locals!

[Steford group](#) together with the Polyana IT community with the support of [InterSystems Corporation](#) invite you to join [Polyana App 2020](#) Hackathon!

If you are suddenly now in Krasnaya Polyana, Sochi, Russia and want to share your ideas, your IT & business energy, come, participate, suggest and cheer for the teams on December 12-13 at the [Steford coworking](#) space. Or participate online!

Create the most helpful service for local IT infrastructure, business, and citizens and get the first prize of \$1,400 and the opportunity to participate in the InterSystems track of MIT Grand Hack 2021!

More details in English can be found [here](#).

Visit the official [landing page in Russian](#).

And...

Our Developer Community team represented by [@Evgeny Shvarov](#), [@Eduard Lebedyuk](#), [@Dmitry Maslennikov](#) and [@Anastasia Dyubaylo](#) will also be glad to welcome you both personally and online!

See you!
