Review InterSystems IRIS on TrustRadius and get \$25 VISA Card

Hi Developers,

We invite you to take a few minutes and leave a review about your experience with InterSystems IRIS on the [TrustRadius](#). Submitting a review requires time and effort, so we'll be glad to reward you with a \$25 VISA Gift Card for a published review!

UPDATE: this promotion ended in 2021.

To get a \$25 VISA card from InterSystems follow these steps:

#1: Follow [this link](#) to submit a review (click on the "Start My Review" button).

#2: Your review will have a title (headline). Copy the text of the headline of your review and paste it [in this challenge](#) on Global Masters.

#3: After your review is published you will get the \$25 VISA Cards and 3000 points on Global Masters.

Please note:

- TrustRadius must approve the survey to qualify for the gift card. TrustRadius will not approve reviews from resellers, systems integrators, or MSP/ISV 's of InterSystems.
- TrustRadius does not approve the reviews that have been previously published online.

Done? Awesome! Your gift card is on the way! 👍
