Vote for the best app in the InterSystems Analytics Contest!

Hey Developers,

This week is a voting week for the [InterSystems Analytics Contest](#)! So, it's time to give your vote to the best solutions built with InterSystems IRIS.

You decide: [VOTING IS HERE](#)

How to vote?

Please meet the new voting engine and algorithm for the Experts and Community nomination:

You can select 3 projects: the 1st, the 2nd, and the 3rd place upon your decision. This is how it works for the Community leaderboard:

Community Leaderboard:

Place	Points
1st	3
2nd	2
3rd	1

And there will be more complex math for Experts leaderboard, where different levels of experts have more "points" power:

Experts Leaderboard:

Level	Place		
	1st	2nd	3rd
VIP level in GM, Moderators, Product Managers	9	6	3
Expert level in Global Masters	6	4	2
Specialist level in Global	3	2	1

Masters

Experts' votes will also contribute 3-2-1 points to the Community leaderboard too.

<u>Voting</u>.

Voting takes place on the Open Exchange Contest Page and you need to sign in to Open Exchange – you can do it with your DC account credentials.

If you changed your mind, cancel the choice and give your vote to another application – you have 7 days to choose!

Contest participants are allowed to fix the bugs and make improvements to their applications during the voting week, so don't miss and subscribe to application releases!

Also, please check out the new voting rules for InterSystems online contest here.
