InterSystems DC Past Contests - a successful journey

I compiled some data about past InterSystems DC constest. Some statistics:

- 64 applications (17% of all current apps into OEX - 377 apps in december/2020)
- 08 contests
- 29 developers

See the summary:

Contest	Winner Apps	Total
InterSystems IRIS, Docker and ObjectScript	BlocksExplorer, ISC DEV, sql-builder, isc-generate-db, declarative-objectsript	20
InterSystems IRIS with REST API	iris-history-monitor, Production Manager, JSON-Filter, simple-spellchecker	7
InterSystems IRIS Native API	iris-python-suite, WebSocket Client JS, ObjectScript Kernel	8
InterSystems IRIS AI	iris-integratedml-monitor-example, iris-ml-suite, ESKLP, SAPPHIRE	4
InterSystems IRIS for Health FHIR	iris-fhir-portal, iris4health-fhir-analytics, fhir-chatbot	5
InterSystems Full Stack	npm-iris, apptools-admin, realworld-intersystems-iris, restoreUI	9
InterSystems Interoperability	Open API Client Gen, OCR Service, IRIS Interoperability Message Viewer	9
InterSystems Analytics	iris-analytics-notebook, website-analyzer, iris-analytics-package	4

InterSystems DC Past Contests - a successful journey

Published on InterSystems Developer Community (<https://community.intersystems.com>)

Crawford, Dmitrii Kuznetsov, Dmitry Maslennikov, Gevorg Arutiunian, Henrique Gonçalves Dias, Henry Hamon Pereira, José Roberto Pereira Jr, Lorenzo Scalese, Maks Atygaev, Mark Erwin Villarina, Muni Ganesh, Nikita Mullin, Nikolay Soloviev, Oleh Dontsov, Oliver Wilms, Renato Banzai, Rob Tweed, Robert Cemper, Rubens Silva, Sergey Kamenev, Sergey Mikhailenko, Vasiliy Bondar, YURI MARX PEREIRA GOMES.

The DC Team: [@Evgeny Shvarov](#), @Irina.Podmazko, [@Olga Zavrazhnova](#), [@Anastasia Dyubaylo](#) and some ISC sales engineers like [@Eduard Lebedyuk](#) supporting this fantastic team, was very nice to organize these fantastic contests.
