Advent of Code 2020. And the Winners are…

Hey Developers,

Advent of Code 2020 is over! Thanks for participating in InterSystems ObjectScript marathon!

And now we're pleased to introduce the winners and distribute all the prizes!

Big applause goes to these winners:

@ Kevin An (w/repo)

@ Fabian Haupt (w/repo)

@ Yuval Golan (w/repo)

And here's the final InterSystems leaderboard:

```
 1)  2982  ************************  Kevin An
 2)  2942  ************************  Fabian (AoC++)
 3)  2894  ************************  Yuval Golan
 4)  2598  ************************  Bert Sarens
 5)  2585  ************************  Yaron Munz
 6)  2577  ************************  rcemper
 7)  2504  ************************  logist (AoC++)
 8)  2491  ************************  Ivo ver eecke
 9)  2489  ************************  Oliver Wilms
10)  1716  ************************  Daniel Reck
11)  1560  ************************  CrashAvery
12)  1363  ************************  Dmitry Maslennikov (AoC++)
13)  1311  ************************  Alexander Koblov
14)  1194  ************************  Thomas Bagh
15)  1023  ************************  AyushSehrawat
16)   909  ************************  Peter Steiwer
17)   884  ************************  TylerFeldhege
18)   793  ************************  ya5awa5
19)   774  ************************  Nahuel
20)   682  ************************  rhodery
21)   481  ************************  Mike (AoC++)
22)   305  ************************  Kevin Majewski
23)   250  ************************  Алексей Нечаев
24)   201  ************************  iGabyTM
25)   110  ************************  Steven Potashnyk
26)    86  ************************  Stuart Byrne
```

And what about the prizes?

@ Kevin An gets $3,000

@ Fabian Haupt gets $2,000

@ Yuval Golan gets $1,000

All the winners will also get special Advent of ode winners badges!

So!

Congratulations to all the participants! And thank you for your attention to the contest and the efforts you pay in this exciting coding marathon!

To all – join this exciting contest next year!

Happy Holidays!
