Get \$25 VISA Gift card and Gartner Research Access for a review!

Hey Developers,

Gartner Peer Insights launched a new incentive for reviews and we are glad to announce it for you. If you have not reviewed InterSystems IRIS on [Gartner](#) yet, here is your chance to make it and get two prizes:

1. Three months free access to exclusive Gartner research from Gartner Peer Insights:

Your Peer Insights Plus access will get you the most respected research across IT, allowing you to make better decisions. You ' ll get regular email alerts on vendors and updates on markets. And you ' ll be able to search reviews by topic, compare unlimited numbers of vendors, and personalize vendor shortlists.

2. \$25 VISA Card from InterSystems

How it works:

- 1 Follow [this unique link](#) and complete the survey for InterSystems IRIS.
- 2 Make a screenshot of the headline and the text of your review.
- 3 Upload a screenshot in [this challenge](#) on the Global Masters gamification hub. Done? Great! After your review is published you will get the prizes!

>> If you are not a Global Masters member yet, you can [join](#) using your InterSystems WRC credentials.

Note:

- The survey takes about 10-15 minutes.
- Survey results will be anonymous, but must be approved by Gartner, which will not accept reviews from InterSystems resellers, systems integrators, managed service providers, or independent software vendors.
