Global Masters Advocate Hub Survey 2020

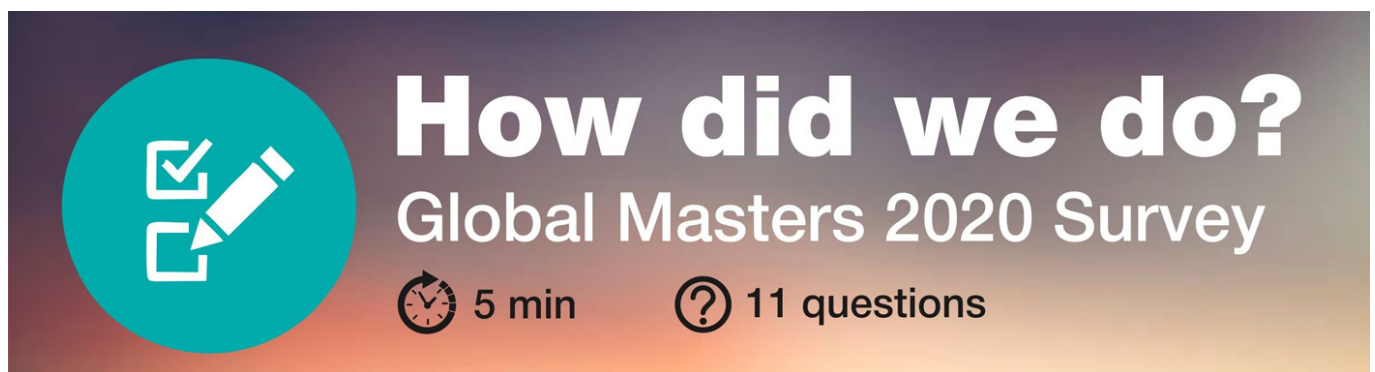

Dear Global Masters participants!

This is the moment you can share with us your honest thoughts about Global Masters. What do you like about it? What you'd like to change?

Last year we created a roadmap based on your responses and successfully introduced new gamification system to make higher levels more achievable, new rewards, and new types of challenges. Time to make your wishes for 2021, because this program is FOR you!

Please spend 5 min and answer 11 questions about Global Masters. We guarantee that we carefully consider every single comment.

[Global Masters Survey 2020 \(5 min\)](#)

The banner features a teal circular icon on the left containing a white checkmark and a pencil. To the right, the text reads: "How did we do?" in large white font, followed by "Global Masters 2020 Survey" in a slightly smaller white font. Below this, there are two icons: a clock icon followed by "5 min" and a question mark icon followed by "11 questions". The background of the banner is a gradient from dark purple at the top to orange at the bottom.

Thank you for being part of the Global Masters Advocate Hub!

P.S. Not a Global Masters member yet? [Join here \(use your InterSystems WRC credentials\)](#)

Sincerely,

Your InterSystems Developer Community Team
