NonStop SQLMP Experiences ?

Someone have experiences interconecting NonStop SQLMP with Iris ?

I need if possible some references or tips, actually connected with JDBC driver to interconnect and take many assorted problems, like :

Some queries, not to much, have null fetch, works fine but have no content to fetch, and i'm sure select sentence is not the problem.

#Compatibility #Databases #Interoperability #InterSystems IRIS
Product version: IRIS 2020.1
$ZV: IRIS for UNIX (Red Hat Enterprise Linux for x86-64) 2020.1 (Build 215U020373U) Fri Oct 16 2020 11:19:54 EDT
