Open Exchange April 2021 Release

Hi developers!

We are glad to share what we have new in April [Open Exchange](#) release:

- Promo section for companies admins
- Pagination for applications catalogue
- New application submission flow

Promo section

If you have listed company with services and application you can now see new tap in your personal profile page where you may order one free promotion service in 6 months.

You will also see this button on your company profile and every app which is published on behalf the company

Pagination

We added pagination to the app catalogue so your surfing within the apps would be more structured

WHAT'S NEW

Promo section for companies admins

Pagination for application catalogue

New application **submission flow**

Apps and companies submission flow

While app submission you may choose to submit it from your personal account or on behalf of the company

If you don't have a company yet you can proceed to list it

And while submitting a company you may attach your previously published apps

Thank you for your attention!

We invite you to submit [new issues for Open Exchange](#) to make it better!
