New Video: Getting Started with HL7 Routing Rules

Hi Developers,

A new video is already on [InterSystems Developers YouTube](#):

[Getting Started with HL7 Routing Rules](#)

Learn the function of HL7 routing rules in InterSystems IRIS for Health productions and see how to use the rule editor to create a rule set to evaluate incoming messages and route them to proper downstream systems. Then explore the editor's testing rule to simulate the route of test messages.

Enjoy watching this video and stay tuned!
