Let's Chat: Join InterSystems Developers on Discord!

Hey Community,

You've probably already heard about Discord and many of you are already chatting there. And now we invite you to become closer to the world of InterSystems technology and join the social club of our developers!

Use a super-fast way to communicate with each other:

[InterSystems Developers Discord Channel](#)

On DC Discord Server, you'll find many InterSystems-related channels and discussions, as well as channels for everyday life conversations. Just join our club to get closer to the world of InterSystems developers!

See you on the [InterSystems Developers Discord](#)

If you have any suggestions for improving our Discord Server or want to create a new channel on a specific topic – please feel free to share your thoughts in the comments.
