Global Masters in Spanish, Portuguese, Japanese and Chinese

We are pleased to announce that now you can choose the preferred language of the Global Masters program!
Available languages: English, Spanish, Portuguese, Japanese, Chinese.

Choose the language in your profile settings:

don ' t forget to click “ Save ” bu 

We are in process of translation now. Also, at the moment most of the challenges will be still coming in English.

This is just a start, but we excited that you ' ll see more content in your native language soon!
